

OWNER'S HANDBOOK

WESTMINSTER

A large, faint watermark of the Royal Coat of Arms of the United Kingdom is centered on the page. It features a shield supported by a lion on the left and a unicorn on the right, topped with a crown. The shield is divided into four quarters, and a banner scrolls across the bottom with the motto 'DIEU ET MON DROIT'.

DAVID STEWART DAWSON

One and a half century of authentic brand history

David Stewart Dawson was one of the most influential Masters of Watches from last century. It was 1871 when David Stewart Dawson, then 22 years old, founded an innovative and successful watches and jewelry store

in Liverpool. Not long after, David Stewart Dawson had established itself in the renowned boutique in London, Regent Street.

For one and a half century our brand has been historically famous for its exclusive collaborations with leading watch brands such as Rolex, Omega, Jaeger-LeCoultre and other prestigious watchmakers for rare and luxurious

timepieces. inspired by a timeless aesthetic with the ambition to create a distinctive and recognizable collection of technically perfect watches with a unique sophisticated

Omega and Rolex examples of Stewart Dawson early collaborations

DESCRIPTION

WESTMINSTER

A testament to timeless design and modern craftsmanship

The Stewart Dawson Westminster model is a testament to the brand's commitment to crafting timepieces that seamlessly blend classic elegance with modern sensibilities. This exquisite watch, encased in durable 316L stainless steel, is a versatile accessory that effortlessly complements both formal attire and casual wear.

The Westminster's design is characterized by clean lines, a minimalist dial, and a refined silhouette.

The vertical satin finish dial, available in a variety of colors, showcases subtle details such as applied indices and delicately dauphine-style hands, adding depth and sophistication to its overall aesthetic.
